We have just received an elegant line of piece goods for suitings or single gar-ments—both in foreign and domestic goods. We have employed a first-class cutter and experienced workmen and can guarantee perfect fits and thorough workmanship. We cannot be under-sold by any eastern house; our work is superior to any house that furnishes suits here, and better than all, we are a nome institution

GENERAL MERCHANDISE.

Since starting in business here it has been our aim and endeavor to make Mea icine Lodge the main trading point of Southwestern Kansas. In order to do this besides working for retail trade, we have made special efforts to work up a fobbing trade. Our success has been beyond our most sanguine expectations, and we are daily in receipt of orders from dealers west and south of here in this state, and frequently have orders from points in the Texas Panhandle.

We have the latest Kansas City price currents on file at all times and will sell goods to dealers at these prices with regular freight added.

We buy in car-load lots, thus getting the benefit of the lowest freight rates
